

ENgage™

TURNOUT GEAR

LION®

ready for action

— SELECT EDITION

The Select Edition from the ENgage™ line by LION offers the same trusted protection and performance as the Classic Edition, with added customization and color options to fit department preferences. Built for structural firefighting, it combines breathability, lightweight construction, and targeted reinforcement to support confident movement in high-stress environments.

Durable, flexible, and tailored to fit your team.

FEATURES & BENEFITS INCLUDE

- ✓ Twin Square Aramid outer shell offers superior durability and flame resistance for high-level protection.
- ✓ 3D spacer thermal barrier provides optimal protection maintaining excellent breathability.
- ✓ A waterproof, breathable high-tech PU membrane with high chemical splash protection and low vapor resistance laminated to a comfortable aramid viscose lining.
- ✓ Quick-release zipper for rapid doffing in heat stress or contamination events.
- ✓ An optimized design for communication with dual-side antenna pass-through pockets, 3 mic loops and a vertical radio pocket, a Napoleon pocket with a hidden pen pocket.
- ✓ Reinforcements that extend service life in high-wear zones.
- ✓ Integrated RFID sewn in for inventory management and tracking.

INNER POCKET WITH ZIPPER AND NAME TAG HOLDER FOR EASY ID

INTEGRATED RFID TAG FOR TRACKING AND INVENTORY CONTROL

TWO NAPOLEON POCKETS WITH ZIPPER CLOSURE BEHIND STORM FLAP

VERTICAL UNDER-POCKETS WITH PROTECTIVE FLAPS & BOLT SNAPS INSIDE

EASY-ADJUST BRACE SYSTEM WITH FOAM-FILLED YOKE

ERGONOMICALLY PRE-SHAPED FOR THE ELBOWS AND KNEES

ENgage™ supports your crew — with Select edition gear built to perform.
